## 1950 - 2014 NORTH THOMPSON FALL FAIR AND RODEO CELEBRATES 65 YEARS

### THEN AND NOW - LOOK HOW FAR WE'VE COME!

THEN: Back in 1950, what had been a dream for local farm and ranch families became a reality. The Native Sons of Canada lent their Louis Creek grounds and hall for the first fall fair which was held on Labour Day. The fall fair entry catalogue had just 12 pages, and promised: "To make your Labour Day a real holiday, a full round of entertainment during the day and evening is assured". An estimated 500 people attended that first fair. Len Johnson, the first fair manager, made the following statement 64 years ago, "For a fair to be a success, it must first be centered in a farming district, and secondly, it must have the support of the people of the community."

Len's words have rung true. Fueled by outstanding volunteerism since its inception, the North Thompson Fall Fair and Rodeo (NTFFR) has steadily evolved and expanded. The location has changed, and so have many of the faces, although many remain, and familiar family names continue to support the NTFFR. After 65 years the focus is the same as it was back in 1950: "A celebration of agriculture, livestock, western country living and community spirit".

TODAY the North Thompson Fall Fair and Rodeo is in its 65th year, and is one of the leading regional events within the Thompson Nicola Regional District.

The mission statement of the organization is: To encourage, develop and promote the advancement of agriculture and farm living in the North Thompson Valley, with special reference to the fostering of livestock, crops, orchard crops, poultry husbandries, industrial, commercial, educational, mechanical and household arts, and rural and urban young peoples organizations, 4H competitions, livestock competitions, fine arts, sewing and baking, gardening, bee keeping, and volunteerism at its finest.

The NTFFRA functions with a volunteer Board of Directors

Fax: 250-672-5306

karina scott@telus.net

along with an additional 75-100 dedicated community volunteers. Facility enhancements and upgrades are in almost all instances completed by volunteers. Major upgrades such as electrical, welding, carpentry, etc., are often provided by local contractors at cost, and with much done as in-kind donations. The annual budget for the Fall Fair and Rodeo is in excess of \$250,000, and to this date the NTFFRA remains debt free.

Over the past five years 10,000 - 11,000 visitors have converged on the small community of Barriere during the week of the Fall Fair and Rodeo, bringing with them an estimated economic impact of \$525,000. Eighty-five percent of the visitors are from the Kamloops and Lower Mainland areas. More than 85 percent of the expenditures are purchased from local businesses.

Notably, in March of 2011 the NTFFRA embraced a vision of constructing the North Thompson Agriplex; a multi-use agricultural facility to serve the region and beyond. In less than six months, thanks to volunteers, businesses, contractors, supporters and sponsors the building was erected and able to host the 62nd Fall Fair and Rodeo. Most importantly, the community buy-in to the project was phenomenal; over \$730,00 raised (including \$188,000 in-kind donations) to complete phase one of the project. In 2012, phase two of the project has been funded by the BC Community Recreation Program.

The fall fair facility holds on average over 100 events annually; serving local, regional, and provincial needs. The public demonstrates a willingness to participate in activities at the facility, not just seasonally, but throughout the year; and with the addition of the North Thompson Agriplex the number of events has already started to rise significantly.

The NTFFRA recognizes, that with continued positive growth and expansion within the facility, that the direct

debrafennell@gmail.com

economic growth to the community of Barriere and the surrounding area remains immediate and significant.

The dream that was started 65 years ago lives on today, because of unending community spirit and the hardworking dedicated volunteers who continue to make it all happen.

The legacy lives on! The dream lives on because a group of volunteers and participants work hard together each year to keep it so.

## MESSAGE FROM THE PRESIDENT

"I believe in the future of agriculture, with a faith born not of words, but of deeds - in achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years."

Impressive words written by E.M. Tiffany for the opening paragraph of the FFA Creed, and adopted by the National FFA Convention in 1930. Words that ring especially true in today's world as people are once again embracing the importance of agriculture, food safety, and food sustainability.

In this modern and technological era, it is easy to blissfully go on our merry way, finding all we need to clothe and feed our families at stores, shops, and department chain giants. But unless you live on a farm, how many of us really know where all of those items we wear, utilize, or put on the table actually come from? How are they made, how are they grown?

Part of the mission statement for the North Thompson Fall Fair and Rodeo Association is, "To encourage, develop and promote the advancement of agriculture...".

In a nutshell that means our annual Fall Fair is about education - teaching the visiting public the value of agriculture; providing a venue where visitors can meet the families who grow the food, raise the stock, and help us to raise healthy and happy children.

To achieve this goal we annually put together a unique class on agriculture that fills three whole days with first class fun for the whole family – from the smallest to the oldest. In fact, you'll be having such a great time enjoying entertainment, music, magic, laughter and thrills, that the learning part will just sneak up on you - and the great memories will last a lifetime!

We're very proud of our old time country fair, and we are especially proud of our membership, volunteers, exhibitors, and performers who bring what agriculture is really about to our fairgoers.

Most importantly though we need to say a big thank you to the people who still work the earth, raise the stock, and feed the world. Without you, we'd all be lost.

Come on down to our fair, and join us in celebrating 100 years of 4H in BC!

## Welcome

Welcome to Barriere and more importantly welcome to the North Thompson Fall Fair and Rodeo. I guarantee that you will have a great time at the Fair. The old time type Rodeo is the best that can be found anywhere. In addition to the Rodeo the Fairgrounds hold a multitude of delights for both young and old.

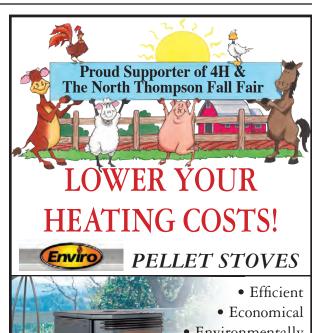

If time allows please tour what the District of Barriere has to offer. We have low taxes and a variety of housing that will suit most any needs. Add this to

a low crime rate, excellent parks and friendly residents and you will be hard pressed to find a better place to live.

Again welcome to our community. Please come back soon and often.

## WHAT JUDGES LOOK FOR IN A PRIZE WINNING QUILT

- Overall appearance: Both front and back, judges look at both sides
- Effective use of colour: Is there visual appeal? Is there original use of colour and design?
- Appropriate use of prints: Have a mix of large, medium, small prints, be careful not to overpower some prints with others.
- Bindings: Nice, even stitches should be dispersed across the quilt. Make sure there is sufficient quilting over the entire surface of the quilt, and that it is balanced. Don't leave large unfilled areas.
- Machine Quilting: Don't overdo it. Too much detailed machine quilting obscures the pieced design and can cause quilts to "belly" or "waffle". Bury the ends of the threads in the quilt.
- Cleanliness: No smudges, no pencil lines, no dog or cat hair, and ideally unwashed & unused.
- Construction: How well is it put together, are seams straight, do points come together? No floating seams, no pitches in seams, all pieced blocks should lay flat, make sure corners are 90 degrees, etc.

### BC HERITAGE QUALIFICATION INFORMATION

As a "BC Heritage Qualifier Event" the North Thompson Fall Fair Light Horse Division enables competitors to earn qualification points toward the 2015 BC Heritage Finals. Competitors must place 1st to 6th in a minimum of 2 BC Heritage Qualifier Events in each class they wish to enter at the BC Heritage Finals. A Log Book must be purchased from BC Horse Council (and may also be done at the Light Horse Show Office). All Log Book holders MUST hand their Log Books into the Show Secretary BEFORE the show begins, and may pick them up at the end of the day/weekend. Only Junior, Intermediate & Seniors are eligible to qualify for the BC Heritage Finals. Novice, Green & Small Fry events are not offered at the Finals so therefore no qualification will come from those classes entered at this show. Entrants must ensure that they have selected the correct classes on their entry form; failure to do so is NOT the responsibility of the show management.

The BC Heritage Finals is also the Selection for Team BC for the Canadian Equestrian Championships in Dressage, Reining and Jumping. For more information visit the BC Horse Council website, or contact Alistair Buchanan (Competition Manager at BC Horse Council)

### PAINT ALTERNATIVE COMPETITION INFORMATION

This program allows exhibitors of registered Paint Horses to earn credits for their horse's performance record. Visit www.bcphc.com or www.apha.com for complete details and required forms. Exhibitor must be an APHA member exhibiting an APHA Registered Paint Horse. Exhibitor must print off & FILL OUT the PAC Form for this show and give to the show office BEFORE the show starts, and pick up at the end of the day/weekend.

### **GENERAL RULES:**

The North Thompson Fall Fair Light Horse Show & Gymkhana will be governed by the BC Horse Council General Performance Rule Book. A copy is available at www.hcbc.ca or on request a PDF can be emailed.

Please note:

- All riders under 18 are required to wear and ASTM/SEI approved helmet <u>at all times</u> while mounted on the Fair Grounds.
- All riders are required to wear proper riding footwear.
- Attire as outlined in the HCBC Rule Book is required for both the horse show and gymkhana, long sleeve shirts with collar & cuff. Western Hat or Helmet for 18+,

- Helmets for 18 & under.
- Stallions are only to be handled by riders/handlers 19 and over. Stallions will not be accepted as mounts for lead line riders.
- Abuse of horses on the grounds will not be tolerated and will lead to disqualification and forfeiture of entry fees at the discretion of the judge/show committee.
- Judge/show committee has the right to excuse any horse displaying signs of unsoundness from competition. Entry fees will not be refunded.
- Any exhibitor (or their parent/coach) attempting to interfere with judge/judging will be excluded from competition.
- Show committee reserves the right to cancel/combine/ divide classes as entries indicate
- Judge's decision is final. Any dispute must be made in writing along with a \$50 administration fee to the show manager prior to the end of the show.
- FOR WESTERN SHOW CLASSES: A horse shall be considered to be one year of age on the first of January following the actual date of foaling. Junior Horses are five years of age or younger as of January 1 of the calendar year. Junior horses may compete in a regulation snaffle bit or bosal-type hackamore; Junior horses may compete with a western curb bit using one hand only. Senior horses are six years of age or older as of January 1 of the calendar year. Senior horses must compete in Western style bridle and western curb bit with the exception of Green classes.
- No whips/crops, martingales, tie-downs in Western Show Classes.
- There will be NO GATE HOLDS, report to the whipperin before the previous class ends. If you miss your class you forfeit your fee.
- All horses and competitors exhibiting at this horse show & gymkhana do so at their own risk. The North Thompson Fall Fair & Rodeo Association will not be responsible for any claim for loss, damage or injury to any person, animal or item or against the North Thompson Fall Fair & Rodeo Association, its officers, agents or operators, by or on behalf of any visitor or any person, firm or corporation or its agents, representatives, servants or employees having license of privilege to visit or exhibit on the grounds used under the auspices of the North Thompson Fall Fair & Rodeo Association. By submitting signed entry form you acknowledge this risk, and the rules governing this event.
- Courses & patterns will be posted ½ hour prior to show start time.
- Please observe marked zones for horse travel & pedestrian travel
- Horses MUST be kept at a WALK at all times unless in the Warm Up or Light Horse Arena

### DD YOU KNOW?

### **Rodeo Trivial Questions:**

How did high heels come to be on cowboy boots? - The boots cowboys wear are just a result of practical design. The higher, often undercut heel is to hook the bar of the stirrup when riding, helping to keep the foot secure. The pointed toe makes it easier to get the foot into the stirrup. The high top is to protect the lower leg from hazards when out on the range. The fancy patterns were originally unique to each person, to distinguish your boots from mine.

In professional bull riding, what do bull riders have on their boots that help them to hang on? - Spurs. In bull riding, there are special made spurs that help a rider keep his seat.

In rough stock events, men's and women's, how many seconds must a rider stay on? - men's = 8 seconds, women's = 6 seconds

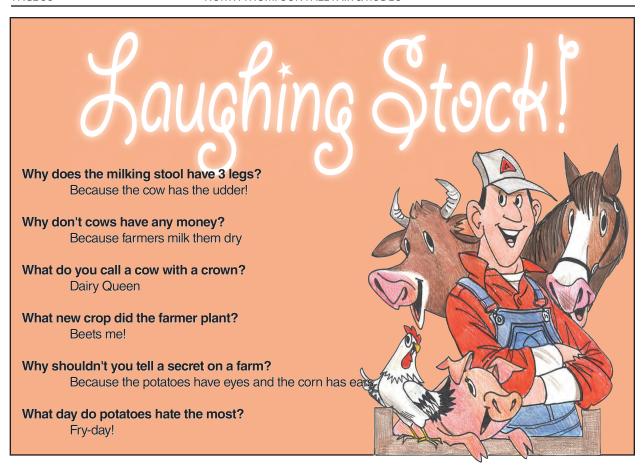

What bull is widely regarded as the rankest of all time? - Bodacious; he was retired for the good of all who would ride him.

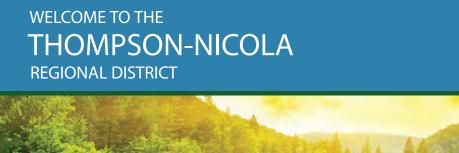

The term 'balking' means what? - An animal refuses to come out of the chute. It is rarely done by rough stock and timed event horses, but does occur.

A rider who 'misses their horse out', fails to do what in the bronc riding? - Have their spurs over the horse's shoulders coming out of the chute. If the rider misses the horse out, they are given no score.

The 'well', is a term most often used to identify a riding position in what rough stock event?
- Bull riding. Most common in bull riding because bronc riders generally are positioned too far back to be in the well.

Is a rough stock rodeo a one-handed event? -Yes. A rough stock event is bull riding, saddle bronc, and bareback. All of which you must ride with only one hand, either left or right.

### Laughing Stock!

### The Horse Seller

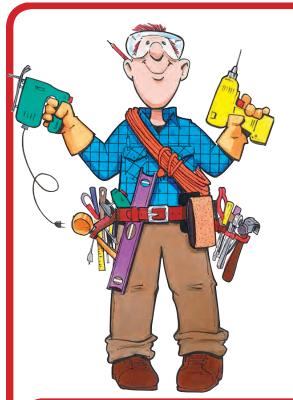

The seller said,There's something you should know about the horse. He stops running when you say, 'Amen,' and he starts running when you say, 'Praise the Lord. No problem," the other man said, "I'll take it."

The man began to ride away on the horse. He decided to test the horse. "Amen," he said, and the horse stopped on the road just as the other man had said."Praise the Lord!" The horse took off running like mad. The rider held on as tight as he could. As he noticed they were racing towards a cliff, he begin screaming, "Stop!!! Stop, you stupid horse!! Whoah!!" Nothing worked. So he began praying, "Dear God, PLEASE let the horse stop! PLEASE!!! AMEN!" The horse stopped right at the edge of the cliff. With great enthusiasm and joy the man screamed, "PRAISE THE LORD!!"
